The Happy Dogs refund guarantee

— Happy Dogs subscriptions and punchcards are always no risk. Need to cancel and get a refund for any reason? No problem. Just let us know by the expiration date we'll refund your subscription or punchcard in full. Visits and perks used (if any) will be retroactively charged at the rack rate, as if you never had a subscription or punchcard in the first place.

Flexible start dates

— start a subscription or punchcard on any day of the month; for punchcards, the valid period starts the first day you use it, regardless of when you bought it.

Auto-renewal by default

— your subscription will automatically renew each month and your punchcard will renew on the first visit after the last one is finished. This ensures you continue to get the discounted prices. However, just let us know if you don't want this. Remember, there's no risk thanks to our refund guarantee — you can always cancel for a refund after renewal.

Subscribed days

— with a monthly subscription, you can change your number of subscribed days and/or which days of the week on a month-to-month basis.

Switch-a-roos

— we know life isn't completely predictable; if you miss a subscribed day, you can use a switch-a-roo to come on a different day during the same week instead; 1/day and 2/day subscribers get 1 switch-a-roo per month; 3/day and 4/day subscribers get 2 switch-a-roos per month.

Additional days

— if you have a monthly subscribers and come more than expected on any given week, your extra days will be charged at the rack rate.

Perks expire too

— remember, all our lovely perks don't roll over once your subscription or punchcard ends — so make sure to take advantage of them before it's too late!
